

**VOLUNTEERS:** please help if you are available! Workers will be entered into daily Worker Raffles. Let a Worker Herder know if you are willing to help!

**CRATING:** CAR CRATING and TENT/EZ-UP CRATING are strongly encouraged if you are concerned about occupancy levels indoors - please see the TRSSCGP COVID Guidelines for details. Exhibitors will have access to the building **Thursday from 5:30-7pm** (but may be asked to help with setup). Do NOT set up crates before then, or they may be removed! Please be considerate and use only the minimum space you need, in order to ensure room for everyone. X-pens allowed for VERY large or multiple dogs only. A waterproof tarp or mat must be placed underneath crates. Crates may be left overnight; however, neither TRSSCGP nor B&D will be responsible for loss or damage of items left at the show site. **\*\*\* Please be aware that every night the equipment in the ring area may be misted with a disinfectant of water and bleach. It is your responsibility to decide whether to leave your crates in the building overnight\*\*\***

**Please clean up after your dogs!** Exhibitors failing to clean up after their dog(s) may be excused without refund if the Trial Committee deems the exhibitor to be in violation of this requirement. Cleaning and pick-up supplies and disposal sites will be available at several locations on the show grounds.

**HOTELS:** A list of hotels accepting well-mannered dogs can be found in the premium list at: <http://www.furrydogs.com/AgilityTrials.htm>

*This is a preliminary judging schedule which is contingent upon moveup entries not yet received, or when adding waitlisted entries after closing.*

## TRSSCGP COVID-19 Guidelines - June 2021 Agility Trial

\*\*\*REVISED 5/25/2021\*\*\*

TRSSCGP is excited to hold our 2021 Agility Trial on June 18, 19, and 20, 2021 at B&D Creekside Activity Center in Latrobe PA. In order to ensure the continued safety and health of participants, staff, and judges, we have updated our COVID policies for our agility trials that will be in effect until further notice. If you have any questions, please contact the Trial Chair or Secretary.

We have updated the following guidelines based on updates to the AKC Best Practices for the Well-Being of Dog Sport Participants – Agility (<https://www.akc.org/press-center/covid-19-updates-from-the-american-kennel-club/>), and the latest PA and CDC guidelines.

1. **MASKS:** Please bring your own face mask. If you have NOT been fully vaccinated, you must wear a mask when inside the building (per PA mandate as of 5/26/21; if the mandate is lifted, then this may change). If you ARE fully vaccinated, then we recommend but do not require you to wear a mask when inside the building, EXCEPT during course Walk-throughs, when masks will be \*required for everyone\*. They are also required when having your dog measured for a height card. When running, a mask is optional if fully vaccinated; if not vaccinated, then it is currently required per the mandate.
2. **GLOVES:** Bring disposable gloves or some type of glove if you desire to wear them at any time during the trials.
3. **WASH HANDS** frequently and thoroughly. Use hand sanitizers positioned throughout the building and try to bring your own. Avoid touching dogs that are not your responsibility.
4. **SANITIZATION:** All equipment and surfaces have been thoroughly cleaned and sanitized. Please bring your own cleaning and sanitizing supplies. There will be a limited amount available at the trial. We will clean commonly touched surfaces regularly throughout the trial and again at the end of the day.
5. **WORKERS** setting up rings and changing bar heights must sanitize their hands frequently and may also choose to wear gloves if desired for additional self-protection.
6. **CRATING** in your vehicle or outdoor tents is strongly encouraged, although no limitations to indoor crating are planned. \*\*\* Please be aware that every night the equipment in the ring area may be misted with a disinfectant of water and bleach. This will be done with a handheld misting machine that will be kept pointed away from the crating area. It is your responsibility to decide whether to leave your crates in the building overnight\*\*\*
7. **RESERVED PARKING for CAR CRATING** – a limited number of spaces close to doors will be reserved for people willing to crate from their cars for the weekend & are available on a first-reserved basis. Please contact Nancy Conley no later than Monday evening 6/14 at [nconley1203@yahoo.com](mailto:nconley1203@yahoo.com) or text (no voicemail) to (412) 600-6348 if interested! Include cell #, and color and make of car, and license plate number in your email or text (please also include your email in the message if you text). Please be sure to take proper safety precautions due to possible heat issues in a vehicle. YOUR DOGS' SAFETY COMES FIRST!!
8. **TENT/EZ-Up OUTDOOR CRATING:** "Tent crating" will be allowed **anywhere** on the grass (not in the parking lots!), except in the areas frequently used for pottying dogs (those are crappy spots 😞), or on the concrete pad outside the potty exit near the equipment garage, but please not too close to the doors! They may be left overnight at your own risk – neither B&D nor TRSSCGP will be responsible for theft, or damage due to weather.
9. **CHAIRS:** bring your own chairs. B & D chairs will not be available for general use. The normal bleachers have been folded and put away. They will not be in use.
10. **FOOD:** The restaurant will be open on a limited basis with a simplified lunch menu. This year you are also permitted to bring in your own food and nonalcoholic beverages.  
\*\*\* Please do NOT bring in shared food or MACH cakes unless they are individually portioned &/or will be served by a single server who will take appropriate sanitary & PPE measures \*\*\*
11. **COURSE MAPS, BRIEFINGS, RUN ORDERS, AND RESULTS** will be posted in several areas both inside and outside,. Paper handouts will not be available. Please let a club worker know if you cannot take a picture of the maps.  
**ONLINE MAPS, BRIEFINGS, and RUN ORDERS:** barring any "technical problems" (this option is NOT "guaranteed"!), the Trial Secretary will post these each evening (no earlier than 6pm) for the next day. They can

be downloaded from : [https://1drv.ms/u/s!AtRWxiDMp\\_Uz-Wt4d\\_AgJwOQ3aDp?e=EF05nk](https://1drv.ms/u/s!AtRWxiDMp_Uz-Wt4d_AgJwOQ3aDp?e=EF05nk) (or <https://tinyurl.com/TRSSCGP> )

12. **CHECK IN:** Please bring your own pen to check yourself in on the gate boards if they are not yet moved to the rings; if you forget your pen, please ask the person at the table to check you in. Once the boards are posted at the ring, the gate steward will check off names not yet checked-in when you let them know you are present.
13. **ENTERING AND EXITING RING:** The gate tops will be wiped off between classes; please touch them as little as possible.
14. **LEASHES:** Exhibitors may tuck their leash into a pocket when running the course if the leash goes in the whole way. Another option is to wear it on their person (i.e. clip it like a belt around your waist) if no part is hanging. If you opt to drop your leash the leash runner will be sanitizing between runs &/or will pick the leash up with a paper towel/or grabber.
15. **WALK THROUGHGS:** Per AKC guidelines, walkthroughs will be limited to 25 people at most. Additional walk throughs will be added as needed. We encourage everyone to be mindful of others, take turns, and maintain personal distance. Masks are required during walkthroughs. **There will be No Obsessive walkthroughs, and likely no Mas/Ex briefings.**
16. **RIBBONS, TOYS, AND AWARDS:** There will be no self-serve ribbons this year. Exhibitors must line up six feet apart to pick up ribbons and stickers. There will be a volunteer in this area to place your stickers on the ribbon (or give you to put in your book if you prefer) and give you any ribbons you are to be awarded. *This year there will be no taking a ribbon for pictures and then returning it. We are sorry.*  
**TOYS:** Every dog entered in the trial will receive one toy for the weekend as stated in the premium. A selection of dog toys will be spread on a table. From a safe distance please pick the toy you want for your dog and touch that one toy only. There can be NO exchanging of toys.  
The only ribbons hung up on display this year will be the High **Scoring Sheltie Awards** for Friday and Saturday, and the **Triple Quad Ribbon** to be awarded Sunday. You may view them but please do not touch.
17. **VOLUNTEERS:** We hope you will continue to “work together” and help our trial run smoothly. We welcome your help and thank everyone who will be volunteering to assist!
18. **COMPLETED RUNS:** Once your runs are over for the day, and if you are not scheduled to work, please take your dog(s) and exit the building. This will make social distancing easier for those still at the trial.

Thank you for taking part in the TRSSCGP Agility Trial. By continuing to be careful now, hopefully we'll be able to see everybody again next year, for a completely “normal” trial!

Nancy Conley and Carol DeMoss

**NOTE:** we will NOT have a COVID Policy sign-in sheet as previously stated. All PA COVID mandates will be lifted as of May 31<sup>st</sup> except for the continued mask requirement for unvaccinated people (which remains in place until 70% of the population over 18 years old is fully vaccinated); we are counting on you to be honest regarding your own vaccination status for your own health and that of others around you!
