Notice to Exhibitors

Safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely. **Puppies** under 4 months of age are prohibited from the show grounds.

All dogs must be on leash or confined except when being judged or when in the designated agility warm-up area.

*****Faxed, telegraphed, telephoned, e-mailed, unsigned entries, or entries not on an official AKC Agility entry form (or photocopy) with signed Agreement and Instructions attached cannot be accepted.*****

No entry shall be made and no entry shall be accepted which specifies any conditions as to its acceptance. **Express delivery entries** must include a signature permitting them to be left at the Trial Secretary's address without the recipient's signature. If no recipient is present to sign receipt, entries may be returned to sender.

Entries will be acknowledged after entries close with identification numbers and a judging program. Should such acknowledgement not be received within a reasonable time, please contact the Trial Secretary. Confirmation of acceptance will be made if either an email address or a self-addressed, stamped postcard with checkboxes for each class entered is included with the entry.

Owners are responsible for **errors made while filling out entry forms**, whoever makes such errors. No entry fee will be refunded in the event of such errors or cancellation of entries after the published closing date. Please type or print carefully to minimize errors! Every effort will be made to find all **duplicate entries**; however, if an entry has been processed, no refund will be made.

Make all checks and money orders **payable to POTC** in US funds only. Please mail fees with entries. The Trial Secretary, POTC, and GRCCO assume no responsibility for cash sent through the mail. **Postdated or returned checks** do not constitute a valid entry fee. There will be a \$20 service charge for returned checks.

Entry fees will not be refunded in the event that the dog is absent, disqualified, excused, or barred from competition by action of the show committee. No fees will be refunded if the trial cannot open or be completed in the event of riots, civil disturbances, fire, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. **Entry fees less \$5 per run will be refunded for injured dogs or bitches in season** on the day of the trial if veterinary certification is presented **no later than 30 minutes before the start of judging**. Overpayment of less than \$10 per dog per day will not be refunded except at the exhibitor's request.

Exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Show Committee, be asked to leave the trial site. In such case, no refund of any entry fees will be made.

Judges are not required to wait for any dog holding up a class. Handlers are responsible for the presence of their dogs in the judging ring when it is their turn to run. Dogs may arrive any time prior to their scheduled time of judging. Dogs not required for further judging will be excused.

The Parkersburg OTC, GRCCO, and their agents assume **no responsibility for any loss, damage, or injury** sustained by exhibitors, handlers, their dogs or property, or their children.

This trial is open to all dogs 15 months of age or older that are registered with the American Kennel Club, or that have AKC Limited Registration, Purebred Alternative Listing/indefinite Listing Privileges (PAL/ILP), or an AKC Canine Partners listing number, or approved Foundation Stock Services (FSS) breeds are eligible to participate.

Bitches in season, aggressive, blind dogs, or dogs suffering from any deformity, injury or illness which may affect the dog's physical or mental performance are ineligible to participate.

Obstacles

All obstacles will conform to requirements as specified in the current revision of the "Regulations for Agility Trials" from the American Kennel Club (available at www.akc.org).

Simplified Jump Height Card Process

When filling out the entry form, there is a new section at the top of the form to designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the **Dogs To Be Measured List**. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in. It is solely the responsibility of the exhibitor to check the correct measurement box, enter your dog(s) in the correct jump height, have your dog(s) measured before running (if necessary), and to have your dog(s) height card(s) available to present, if requested.

Height Divisions

Owners are responsible for entering the proper height division. All heights are as measured at the withers. Dogs measuring into the 8 thru 20" Regular divisions may optionally enter the 24C division.

Regular Class (Preferred Class) jump height divisions:

8/4)inchesfor dogs 11 inches and under	20/16)inches.. for dogs 22 inches and under
12/8)inches ...for dogs 14 inches and under	24/20)inches.. for dogs over 22 inches
16/12)inches ..for dogs 18 inches and under	24C division .. for dogs 22" and under at owner's discretion (n/a Preferred)

Dogs entered in **Preferred** classes must jump at a height 4" lower than the minimum height they would be required to jump in Regular classes as listed above.

First Received Entry Method

Entries accepted no sooner than Tuesday, September 22nd at 8am
No hand deliveries within first 24 hours after opening of entry period.

Entries close 4pm Saturday, November 7th

Entries for a maximum of ten (10) dogs are allowed in each envelope submitted to the Trial Secretary. Envelopes containing entries for more than 10 dogs shall be treated as an invalid entry and will be returned. In the event an envelope is received that contains entries that would exceed the entry limit, there will be a random draw of the individual entries contained therein to fill the specified entry limit. All remaining entries shall be drawn for a position on the waitlist. All First Received Method rules and regulations as they appear in Chapter 1, Section 16 of the Regulations for Agility Trials shall apply.

Move-Ups

Dogs may be moved up to a higher class at the request of the owner. Pretrial requests must be made to the Trial Secretary by 6pm on Monday, Nov 16th, by mail or e-mail (see form on p.9). Day-to-day move-ups must be requested in writing at the trial site before the close of trial on the preceding day.

Confirmations, Corrections, Entry Changes, and E-mail

Per AKC regulations, changes to entries may be made until the closing date. After that time, only moveups are permitted until the moveup deadline. Corrections to entries due to Secretarial error may be requested at any time; however, any day-of-show corrections cannot be guaranteed to be reported to AKC correctly!! Preliminary confirmations will be emailed within 7 days of receipt of your entry if a valid email address is provided; PLEASE be sure to add TrialSec@furrydogs.com to your address book/whitelist to ensure the email reaches you, so you can check your information promptly!

Changes to Agility Regs - FEO+FnG - effective 1/1/2020

- Exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend
- Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day
⇒ *Separate entry forms must be submitted for each jump height &/or division (Reg/Pref) entered*
- **For Exhibition Only (FEO)** will allow exhibitors to work with dogs in a trial environment, in the T2B & FAST classes only. FEO runs are trial entries - must enter in advance in the desired jump height
- **Fix and GoOn**—allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation.

Complete details of these changes can be found here on AKC's website or at www.furrydogs.com/AgilityTrials.htm

Call for Volunteer Workers - we greatly appreciate any help at the trial!

- Vouchers valid for lunch, vendors, or towards a future entry will be provided for workers.

If you can help, please include this form with your entry, and contact Sharon Rooks (304-375-6489 or sharar-shelties@suddenlink.net).

COVID-19 Protocols for 2020 Zanesville Agility Trials

28-July 2020 version

POTC & our affiliated host clubs are excited to start the Fall 2020 Agility Trial season beginning in September at the Fieldhouse in Zanesville OH. In order to make the environment and agility trial as safe as possible for our exhibitors, staff, and judges, we have developed COVID-era policies for our agility trials that will be in effect until further notice. If you have any questions, please contact the Trial Secretary.

We are doing our best to keep the trials fun for everyone, but safety and health must take top priority.

Please respect the policies we are implementing to ensure everyone's continued health, as well as any additional requirements that The Fieldhouse may have established.

Please read through this document and make sure you are comfortable with our guidelines.

If you are unable or unwilling to follow these procedures, please do not enter!

If you will be entering the trials, please sign and return the Agreement with your entries.

Anyone not complying with these or Fieldhouse policies will be asked to leave with no refund.

We have put together the following protocols based on the [AKC Best Practices for the Well-Being of Dog Sport Participants](#), and current State of Ohio and CDC guidelines. Please keep in mind that National, State, and Local COVID-19 requirements and recommendations are constantly evolving; consequently, these Protocols may be updated at any time. Any revisions will be communicated as soon as possible prior to the trial weekends; if you believe you may have any issues complying with the changes, please contact the Trial Secretary prior to the trial to withdraw for a refund.

Please do NOT attend this trial if any of the following "risk categories" applies to you:

- (a) you were exposed to COVID-19 within the 14 days preceding the trials and do not have a confirmed negative result from testing done after the exposure;
- (b) you traveled to/from a state on the dynamic Ohio [quarantine list](#) within the 14 days preceding the trial (note: the list can change weekly, so please review it during the two weeks preceding the trials!); or
- (c) you have COVID-19 or [any of its symptoms](#) at the time of the trial, or feel ill in any way during the trials

If any of these conditions apply to you, please contact the Trial Secretary if you wish to request a full refund for any runs not yet completed.

1. **MASKS:** An [appropriate face covering](#) MUST always be worn in the building, including WHILE RUNNING. Masks must be worn correctly, covering both nose and mouth at all times. No exceptions/exemptions. Please bring your own face masks. If you forget yours, we may have a limited number of disposable masks available for a small fee, but please do not plan on their availability to ensure you will be allowed to run. You do not need to wear a mask when outside the building as long as you maintain social distancing.
2. **CHAIRS:** please bring your own chairs. The usual bleachers and chairs will not be available for general use. Chairs will be available in-ring for workers (or you can use your own if you want!) – please wipe down chairs other than your own both before and after use.
3. **GLOVES:** Bring disposable gloves if you desire to wear them at any time during the trials.
4. **WASH HANDS** frequently and thoroughly. Use hand sanitizers positioned throughout the building frequently, especially before & after touching any common equipment or surfaces, or dogs other than your own.
5. **SOCIAL DISTANCING** must be practiced by everyone both inside and outside for the entire weekend, including when spectating ringside
6. **SANITIZATION:** All equipment and high-touch surfaces in the ring areas will be periodically cleaned and sanitized. The Fieldhouse may also clean commonly touched surfaces periodically throughout the trial and again at the end of the day. Please bring your own cleaning and sanitizing supplies if you desire to use them for your own trial gear. *** Please be aware that each night the equipment and ring areas may be misted with a disinfecting solution (3M 41A or other). It is your responsibility to decide whether to leave crates/water bowls in the building overnight***

7. **TRAFFIC FLOW:** Please observe any walkway restrictions or one-way doors that the Fieldhouse may have designated throughout the facility.
8. **CRATING:** We currently do not expect any issue with indoor crating for all dogs, nor with human occupancy limits. But depending on changes to state orders regarding distancing requirements or gathering limits in effect on the trial weekends, we may need to restrict the number of people in the building at any one time (we will let you know as promptly as possible if we expect any issues with either dog or human occupancy limits). When setting up your crates, please use the minimum practical space for your dogs and be sure to allow adequate spacing to your neighbors to maintain 6' distancing between people seated at their crates (except within "household crating groups").
9. **RESERVED PARKING for CAR CRATING** – a limited number of parking spaces close to the front doors will be reserved for people willing to crate from their cars for the weekend & are available on a first-reserved advance basis only. Please contact the Trial Secretary no later than the Tuesday evening preceding the trial at the address in the premium or by text (no voicemail) to (304) 488-2871 if interested! Include name, cell #, color and make of car, and license plate number in your email/text. Please be sure to take proper safety precautions due to possible heat issues in a vehicle. Dogs appearing to be in distress will be "rescued" if appropriate contact information is not readily displayed in/on your vehicle - YOUR DOGS' SAFETY COMES FIRST!!
10. **FOOD:** We plan to provide lunch that will be available for purchase with cash &/or worker tickets. Lunch will either be individually-wrapped commercially-supplied items (e.g. sub sandwiches), or will be served by a dedicated worker who will wear gloves and follow PPE & sanitary protocols for the serving of food (e.g. if pizza is served). As always, you are also permitted to bring in your own food and beverages or have food delivered. *** Please do NOT bring in shared food or MACH cakes unless they are commercially individually portioned &/or will be served by a single server who will take appropriate sanitary & PPE measures as noted above ***
11. **BUILDING OCCUPANCY:** Only workers or exhibitors entered should attend the trials. We urge you to leave additional family & friends at home unless absolutely necessary to help you during the trials. We need to keep occupancy at a minimum to stay within any pandemic restrictions and to facilitate adequate distancing.
12. **COURSE MAPS and BRIEFINGS** will be posted in several areas to facilitate social distancing. Take pictures of maps because paper copies will not be available. Please let a club worker know if you cannot take a picture of the maps. **Individual results** will be emailed after the trials and complete results will be posted at the Trial Secretary's website soon after. **ONLINE MAPS, BRIEFINGS, and RUN ORDERS:** barring any technical problems or time constraints (this option is NOT "guaranteed"!), the Trial Secretary will post these each evening between 7-10pm for the next day. **They can be downloaded from:** <http://gofile.me/209aU/ROggORRkp>
13. **WORKERS** setting up rings and changing bar heights must use hand sanitizer frequently and may choose to also wear gloves if desired for additional self-protection. Sanitizer will be located at each worker chair in the rings.
14. **CHECK IN** on the gate boards at the early check-in location or at ringside in advance of the class starting, using your own pen, or by sanitizing and using a "public" pen. Once a class has started, if you need to check in on a board in use at ringside, please only ask the Gate Steward to check you in &/or move any of your dogs if needed to avoid conflicts. Please remember to maintain personal distancing from the GS.
15. **WALKTHROUGHS:** Per AKC COVID guidance, walkthrough groups will be limited to 25 people at most. Please keep in mind that if individual classes or height groups are large enough to require split walks, there will be no 5-minute waits in "walk-walk-run" instances. We encourage everyone to be mindful of others, take turns, and maintain personal distance. There will be NO Obsessive walkthroughs, and likely no Mas/Ex STD/JWW briefings.
16. **WARM-UP JUMPS:** hand sanitizer will be located near each warm-up jump; please use it before handling the jump bar/jump for your dog
17. **ENTERING and EXITING RINGS:** Please maintain 6' distancing when lining up with your dog to run. Please do not touch the gate with your hands when entering and leaving the ring – only "hip-checks", backs of hands, or head-butts allowed! The gates may also be opened and shut for you by workers wearing gloves &/or using sanitizer. The gate tops will be sprayed &/or wiped off between classes.
18. **LEASHES:** Exhibitors may tuck their leash completely into a pocket when running the course, or may choose to wear it like a bandolier or like a belt around your waist as long as no part is left dangling. If you opt to instead drop your leash, the leash runner will be using hand sanitizer between runs or will pick the leash up with a paper towel/or grabber.

19. **MEASURING of DOGS:** if there are no VMOs in attendance, then there will be no measuring of dogs whatsoever. If a VMO is present and willing to measure dogs, then dogs may be able to get a measurement if they & their owner can first agree to any criteria the VMO may require before he/she is willing to measure a particular dog.
20. **RIBBONS, PRIZES, and AWARDS:** Exhibitors should maintain social distancing when picking up ribbons and stickers. There will be an awards worker to place your stickers on the Q ribbon (or give to you to put in your book if you prefer) and distribute any other ribbons. Please use sanitizer before taking any ribbons from the baskets. *Please do not borrow any ribbons for photos, that you do not plan to keep!* Toys/prizes will be available as stated in the premium; but please do not dig through the bins when selecting the items you want (sorry!!) Please pick the item you want for your dog and touch that one item only.
21. **AFTER COMPLETING YOUR RUNS:** Once your runs are done for the day, and if you are not scheduled to work, please head home with your dog(s), and enjoy a cold adult beverage! This will help keep our occupancy to a minimum and make social distancing easier.

VOLUNTEERS: We will need volunteers more than ever to help everyone have a safe and fun agility weekend. We look forward to returning to competition and hope you will continue to help as you always have to ensure our trials run smoothly. We appreciate your help and thank everyone who will be volunteering to assist!

Thank you for taking part in the POTC/BTCA/GRCCO Zanesville Agility Trials. By being careful now, hopefully things can be back to a more familiar normal for next year's agility trials!
